# Blazing June is here.!!

## Welsh Riders Championships

Halfords have recently announced that they will be sponsoring all the major Welsh cycling championships and cycle speedway have been included to benefit from the amazing news. The club first knew of the venture during the winter but were sworn to secrecy by the WCU. Halfords will be providing trophies for the Welsh riders open and the new under 16s competition to be held on the same day at East Newport on October the 10th. The champions will also be receiving their very own champions jerseys as shown here with the Welsh cycling colours and the Bike hut logo printed front and back. As always East Newport are planning on making the day a huge worthwhile event to participate in and to come and watch and a

large crowd will be here to witness the event. Entry to the championships will be open to Welsh riders and the entry forms will probably be out late August. All top Welsh riders will be here as the date allocated for the event was kept free by British cycling so as to keep league fixtures open allowing all riders to attend. ENCSC are very proud to stage this and have planned a day to remember and this news gets the ball rolling nicely.

## Now its East Newport Cricketers

On June 6th the club have been invited to play a cricket match against the NSA footy team at the NSA. Bearo has made all the arrangements and will be picking the team very soon. It's a fun thing so a great day will be had by all and the best part of it is it's the day after the Woskow Brown British Youth and Junior round at Filton so it will be

great to have a day off so we can chill out and not worry about organising the tired out kids that have raced all day. Commemorative tee shirts are being printed and will be on sale for the event.

Selling a bike part? Looking for a new jersey? Or if you want to include any features on this club newsletter just let Rob Absalom know and it can be added to next months edition.

## Eagles reunion

Last month representatives from East Newport CSC were invited to the Langstone Eagles reunion at the Langstone village hall. Even though Hacksaw and Bear were the youngest in the room it was good to hear some of the stories how the Eagles formed and the fun they had during the fifties at the height of their fame. Book has been produced chronicling their success and a copy presented to the club. Some great photos in there showing the track and their matches and I'm sure the book will be circulated around our riders for all to enjoy. Its funny to think that in years to come we will be holding reunions similar to he Eagles and we can share the memories we forge now. Lets make sure their good ones and share a bond of friendship that is envied by others and challenged by no-one.

## Meet the rider: Adam Bennett

Alright so Adam is still very young and his racing career has really only just started but this section is not just about the oldies and the younger riders all deserve a mention. Adams cycle speedway started at our rivals in Newport and he soon

became a recognised name in the area with his regular mentions in the Argus and online. Dad, Tony, is probably his biggest supporter and has build many fine machines for Adam to ply his trade. This year Adam finds himself going up an age group in the Junior League and as with all riders they find this tough going but Adam has taken it in his stride beating rivals much older than him. One his finest matches

was at Poole when he raced for East Newport under 13's in our very first British Club entry top scoring with 8 well earned points. That day Adam was chosen to be team captain and supported all his team mates on that hot day in Dorset. Adam is going to be a big name in the future and once he has grown will become a regular first team rider for the Eastenders.

## East Newport Sports day

Plans are underway by the clubs committee and other kind supporters for the 2009 East Newport Sports day which will be held later in the summer. It seems likely that most of the day will be spent off the track although there are some people who want to build some side cars and race them around the track!! What about Cycle Hockey or Cycle Football? Whatever happens, it promises to be a fun day with plenty of grub on the BBQ and plenty of fun to be had by all who turn up. If there's anything you want to suggest or would like to help out then just let one of the committee members know. Hopefully next months newsletter will have the full line up of events for the day.

## East Newport ???? CSC

Over the last month some of the younger riders have noticed we race Exeter ACES, Horspath HAMMERS and Hellingly LIONS etc while we don't have a nickname. Well, this is our club and we share in its success and maybe the time has arrived for the club to have its name? What do you think? Have you got any suggestions? What about we hold a competition where the younger riders can suggest a name and the winner receives a prize? The name would have to be right for the club and not simply copied from someone else. Lets have your views about it first and perhaps we can unveil it at the Sports day?

\*\*\*\*\*DON'T FORGET YOUR SPONSORSHIP MONEY FOR THE TRAVEL FUND\*\*\*\*\*

## And finally.....

### Travel fund

We are very pleased to report that the clubs travel fund has now really taken off with money coming in regularly now to help fund our costly travelling expenses. The Car boot sale, match day raffles and the sponsored 50 laps have all raised much need funds and you the riders will benefit from this with cheaper travel through the year.
